## FALL 2005 EVENTS & NEWS

**Liberty Bay Raft-Up 2005**

### **The annual Fall membership meeting will be held on October 20.**

This year we will be at the Swedish Club at 1920 Dexter North. The meeting will be held in the Crown room on the top floor. The bar will open at 6:00 PM and dinner will be served at 7:00 PM. The dinner choices will be Cedar Planked Salmon or grilled Tri Tip. For those of you that are non-carnivorous I will be working on something for you. You won't be left out. On the attached form please state your preference of meat, fish, or vegetarian.

Our speaker for the evening is Michael Schalka. Michael is one of the top rated 15 year old sailors in the nation. Michael is very good and does a lot of traveling to national regattas. Michael will fill us in on the youth sailing scene as it is now on a local and national level. I've known Michael for a long time and he is a very impressive kid. I am looking forward to what he has to say and to asking him some questions. I firmly believe that youth sailors are not only the future of our sport but our yacht club. I hope to see all of you at the membership meeting. Kirk Utter Commodore STYC

## STYC CRUISING EVENT OCTOBER 15<sup>TH</sup> AND 16<sup>TH</sup>

The traditional cruising event to Kingston in September was postponed to October in order to add an exciting new race/cruising event. The new event added was the race around Vashon Island with pot luck in Port Madison.

We are planning a potluck at the dock in Kingston on the evening of Saturday October the 15<sup>th</sup>. Sadly the Kingston Inn was destroyed by fire and will not be a resource for breakfast on Sunday.

The marina manager, Scott, tells me that moorage is on a first come first serve basis. Members can make reservations individually. (The same procedure we follow with Port Townsend when we have the race to the straights.) Scott advises that reservations are advised because they expect the arrival of the fishing fleet in October.

I would like to hear from members who plan to attend. I am looking for a resource for breakfast and a numbers estimate would be helpful. I can be emailed at [elizstant@aol.com](mailto:elizstant@aol.com). Or a phone message at 206 352 9601.

Looking forward to seeing you in Kingston. Elizabeth Stanton Cruising Chair
