

## NOTICE OF RACE/Sailing Instructions

### Take Your Time Fridays 2021

**June Series: 6/4, 6/11, 6/18, 6/25**

**July Series: 7/2, 7/9, 7/16, 7/23, 7/30**

STYC is hosting two series of Casual Racing in an effort to provide a more relaxed racing opportunity for cruisers, racers, liveboards, and dinghies. Skippers will take their own finish times, and submit them to the website for scoring.

1. **Rules:** This race is governed by the current Racing Rules of Sailing except as modified by these Instructions. There will be no protesting, no yelling, and no contact between boats. Boats of a greater sailing ability are required to go out of their way to avoid boats of a lesser ability.
2. **Eligibility and Entry Deadline:** Races are open to all sailboats and sailing dinghies with or without a PHRF rating (no motors can be used while racing). Ratings can be obtained by contacting the STYC handicappers or race organizers listed on the STYC website ([www.styc.org](http://www.styc.org)). This series is **free**. Please try to enter online prior to the Wednesday before the first race of the series, but boats can enter at any time in the series and can even race and then enter the next day online. Once entered you are now entered for the remainder of the summer's races. Online entry is available at ([www.styc.org](http://www.styc.org)).
3. **Crew Size Limits:** Crew size is limited to no more than 5 total including the skipper. Violation of this rule will result in a DSQ.
4. **Contact Tracing Requirements:** Competitors shall comply with local Covid-19 and Social Distancing regulations. Skippers are required to have contact tracing information for the entire crew for each individual race. Failure to have such contact tracing information when asked will result in disqualification from the entire series. The race committee may ask to see proof of such contact information at the time of the race. An acceptable form for contract tracing is available at <https://bit.ly/38awYGx> or you may use a joint text or email thread if available for inspection at time of race. In the event a crew member suspects or is confirmed to have COVID-19, or is exposed to a confirmed case of COVID-19, they must notify the skipper and other crew immediately within 24 hours. It is the skipper's responsibility to inform the crew of this requirement. This applies for up to 14 days after the race.
5. **Face Coverings and Social Distancing:** Sailors must follow state and local requirements for use of face coverings. For the purpose of such requirements, sailing should be considered outdoor exercise where a six foot separation will not be maintained between crew on a single boat. Sufficient separation will exist between boats. Currently, this means face coverings are required if a boat's crew are not all members of the same household.
6. **Skippers' Meeting:** There will be no Skippers' Meeting for these series. Skippers are responsible to check for any changes posted on the STYC website ([www.styc.org](http://www.styc.org)). Any weekly changes will be posted by 1:00PM the Friday of the race.
7. **Divisions and Starting Times:** There will be one start at 19:00. There will be no RC boat, racers are required to start honestly on GPS time. Be sure to turn your GPS on at least five minutes early to acquire the satellites. The GPS time will not be accurate until all of the satellites have been acquired.
8. **Time Limit:** The time limit for this race is 2.5 hours. There are no extensions.

9. **Starting Line:** The start line will be between the N Buoy and a large YELLOW rock on the Shilshole Breakwater. The rock is due East (True) from Mark N.
10. **Race Distance and Course:** The race course will be **NMBN**. The course will be indicated by the following mark letters. The first mark is to the North, take all marks to Port. The total course length is 3.203.
